## Extensive private Estate for sale with 2 cortijos

**9.856.000 EUR**

### Ref: 186-2756P

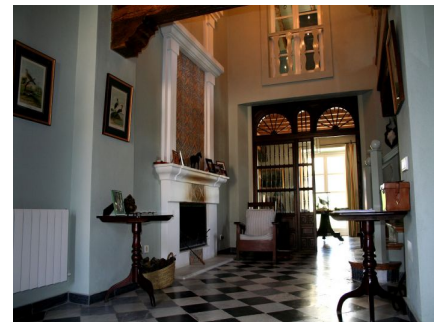

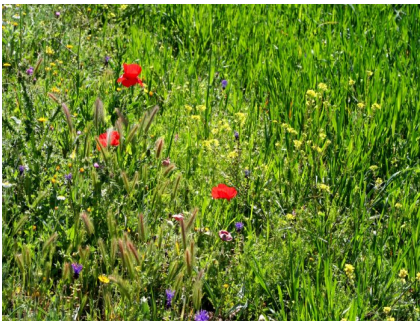

Unique opportunity to purchase a beautiful extensive private estate with two cortijos and a large ruin that could be reformed into another Cortijo or Rural Hotel. The farm has gentle sloping land with many oak trees of 2-300 years old. The large Cortijo is used as a farmhouse with stables and the other house is completely reformed in the traditional style with a large garage and guesthouse. Both houses still have lots of antique details left. On the land are many outdoor houses for the animals (Bulls, horses, sheep etc.) and a large Arena, 'Plaza de Torros'. The estate is situated 20 km from Ronda near the little village of Alcala del Valle. The houses are connected to telephone, mains electricity, and have their own water supply. The Estate is very private and not directly seen from the roads and more important there are NO official roads crossing the estate. Peace, quiet, privacy, nature are the keywords. The Property is not located in a nature reserve.
